Aug 1, 2025 - July 31, 2026

40 CELEBRATING 40 YEARS OF Smiles

Providing sustainable surgical & post-surgical care to children born with cleft lip & palate in **Central Texas** & **Latin America.**

Changing lives, one SMILE at a time

Executive Director Report

CREATING SMILES, IMPROVING LIVES

Dear Friends & Supporters,

This year Austin Smiles celebrates 40 years of changing lives through comprehensive cleft care. That's forty years of children receiving surgeries, and families finding critical support. It's forty years of volunteers showing up and medical professionals sharing their expertise to improve lives one smile at a time. We could not do this essential work without partners and donors believing in what's possible, and a community that continues to invest in the idea that every child deserves the opportunity to smile, speak, eat, and thrive. When we look back at just this past year, there is so much to celebrate. We've expanded our programs, strengthened partnerships, reached more families, and continued building a stronger network of support for children and families here in Central Texas and across Latin America. We are proud to share that Austin Smiles has expanded our medical missions to four annual trips, with the addition of a Mexico City site. The 40th milestone encourages us to pay tribute to the many individuals who lead us here, but it is also an opportunity for us to share where we are going next—and invite the people who believe in this mission to come along with us. This moment gives our community an opportunity to imagine what the world might look like without Austin Smiles' 40 years of intervention. At the same time, it encourages us to imagine the potential within the many children who will continue to benefit from Austin Smiles care.

Forty years behind us, but so much still ahead.
And we're just getting started.

Kind Regards, Renee Hanson Malone

Renee Hanson Malone,
Austin Smiles Executive Director

MISSION

Austin Smiles – The Austin Plastic Surgery Foundation is a nonprofit organization whose mission is to provide sustainable surgical & post-surgical care to children born with cleft lip and palate in Central Texas and Latin America.

VISION

Our vision is to create a sustainable system of care by which patients are cared for before, during, and after their surgeries, and as they age into adulthood. Through our local and international partnerships, we ensure children born with cleft conditions receive comprehensive services so they can live fully productive lives.

Our Core Values:

Inclusivity

Austin Smiles creates positive, inclusive environments for patients, volunteers, staff, students and the Board of Directors.

Dignity

Austin Smiles believes that all individuals deserve respect, access to community, and quality surgical care, regardless of their ability to pay.

Quality Assurance

Austin Smiles systems and tracking modalities are of the highest standard, consistency and transparency. Programming is reviewed and reported on a quarterly and annual basis.

Volunteerism

Austin Smiles delivers a positive, safe, collaborative volunteer experience that fosters global leadership and humanitarianism in the world. We are a volunteer-driven mission delivering transformational outcomes for children and families with a low overhead.

Philanthropy

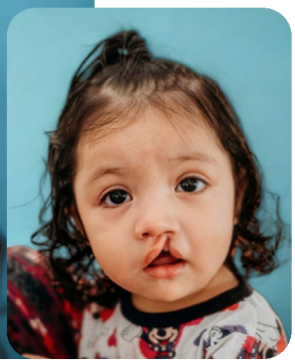

Austin Smiles fosters a diverse circle of community givers and fundraisers providing our mission monetary sustainability for our strategic plan and growth strategies.

austinsmiles
THE AUSTIN PLASTIC SURGERY FOUNDATION

About Us

Since 1987, Austin Smiles has provided life-changing cleft care to children and families who need it most. Without proper treatment, children born with cleft lip and palate can face challenges with eating, speech, breathing, hearing, and oral health, as well as social-emotional challenges that can impact their confidence and well-being. We believe every child deserves access to comprehensive care and the opportunity to thrive.

Our Purpose: Austin Smiles is an Austin-based, volunteer-driven nonprofit providing comprehensive cleft care to children and families in Central Texas and Latin America. We treat each child within the context of their family and community, combining surgical care with wraparound services that support their physical and emotional well-being. Through our local and international partners, we ensure children born with cleft lip and palate have access to the care they need to thrive and reach their full potential.

lives changed since 1987

OUR PROGRAMS

Programming is designed to deliver high standards in surgical care and wraparound support to help children live more productive & fulfilling lives. All services are provided at no-cost.

Celebrating 40 years of life-changing care!

Thank you for helping Austin Smiles provide life-changing, empowering, and comprehensive care in Central Texas & Latin America. We are grateful to our volunteers, donors, partners, staff, board, committees, and supporters.

800 CHILDREN & FAMILIES SERVED IN CENTRAL TEXAS

300 PATIENTS SERVED IN LATIN AMERICA

Our Local Impact

Austin Smiles Cleft Community of Central Texas provides pre and post-surgical care and wraparound support to **over 800 children & family members annually**. Offering social & emotional programs, referrals, case management, speech therapy, special needs assistance, preventative dental care, nutrition resources, mental health support, surgery kits, newborn kits, parent advocacy, support groups, & education. **All services are provided at no-cost.**

Our International Impact

Austin Smiles **transforms the lives of over 300 children annually**, working closely with Latin American communities to provide a continuum of care. Our medical mission services include **no-cost** life-changing surgical care, dental care, ENT services, speech therapy, & nutrition support.

PATIENT STORY
TEXAS 2026

Seven years ago Sara and Maya learned that their son, Kason, would be born with a cleft lip and cleft palate.

Sara said, ***"Having a child born with a medical condition can sometimes feel isolating. At that time, I didn't have very many people to talk to."***

Then they found Austin Smiles.

What began as an introduction to a community of support became a connection that would grow alongside Kason and his family.

Over the years, Sara has watched the Austin Smiles community grow and expand, providing families with connection, resources, and knowledge.

"It's amazing to see all of the help that they provide, all of the resources that are out there, and all of the knowledge that they have to spread."

Kason and his family have been part of the Austin Smiles community through the years, attending many local programming events, including our annual Family Fun Day (see inset). Family Fun Day is one of many fulfilling ways we ensure that families have a day outdoors to connect with each other while playing and bonding over similarities.

A family favorite saying of theirs is, ***"We are Cleft Strong!"***

Quotes from our patients!

"The team is kind, compassionate, and deeply committed to every child. Their care gives families hope and helps children receive life-changing treatment and beautiful smiles."

"From the care and accommodations to the attention given to the children. It is tremendous support for every child."

"The volunteers that come to perform these surgeries are impacting so many families. You have changed our lives! "

Our Austin Smiles
Patient Stories

PATIENT STORY
VERACRUZ 2026

When Marisol was four months pregnant, she learned that her baby had a cleft lip and palate. Today, her son, Mateo, is a joyful, loving baby.

"Mi bebé es un bebé muy amoroso, muy alegre, y muy comelón." "My baby is very loving, very happy, and he really loves to eat."

Feeding wasn't always easy. When Mateo was younger, he could barely drink half an ounce of milk at a time. ***"Antes era una cosita que apenas se comía media onza de leche y conforme fue creciendo se volvió muy, muy, muy alegre, de hecho muy amoroso."*** "Before, he was such a little thing who could barely drink half an ounce of milk, but as he grew, he became very, very, very happy — and, in fact, very loving."

Marisol and her husband learned about Austin Smiles through a friend and registered Mateo with the hope that he could receive care. After a several-hour journey to the mission, that hope became a reality.
"They help so many people, and honestly, we are very grateful because among so many babies, they chose mine."

When asked what she hopes for Mateo after his surgery, her answer was simple:, ***"Que esté bien, solamente eso."*** That he is well. That's all.

Marisol's message to mothers raising a child with cleft lip and palate is one of hope, ***"Que no se rindan y que tengan mucha esperanza. Y pues todo pasa por algo. Afortunadamente se encuentran con personas que pueden hacer posible un mejor futuro."*** Don't give up and have hope. Everything happens for a reason. Fortunately you find people who can help make a better future possible.

Our Volunteer Driven Mission

OUTCOME FOCUSED

100%
Of patients/parents were satisfied with Austin Smiles' Services

Highly Recommended
100% of patients/parents would recommend Austin Smiles to another family

Great Partners
Our host site partners were highly satisfied with the collaboration and would most definitely like to work with Austin Smiles again

Every life transformed is a direct result of the collective impact of compassionate individuals like you.

We reflect with gratitude on the incredible impact our supporters and volunteers made possible in 2025–26. Your generosity of time, resources, and talent helped Austin Smiles provide more than $1 million in in-kind medical services across Latin America and comprehensive wraparound care to 800+ children and families in Central Texas. But our growth is about more than numbers. This year, we expanded the depth and reach of our cleft care, from surgery and dental services to nutritional support, post-operative care, speech therapy, and social-emotional programming. Together, we are strengthening a continuum of care that supports children and families throughout their cleft journey.

Thank you for helping us share Smiles!

Community Outreach

Each year, Austin Smiles engages donors and inspires supporters through inclusive, fun, impactful events and opportunities to support life-changing philanthropy. Here is a look at our community outreach this year.

Wish Upon A Smile - 39th Annual Gala

The 39th Annual Gala, took place at the Starlight Terrace at the Oasis on Lake Travis. The event celebrated the organization's life-changing mission. The gala honored medical volunteers George Cowden and Dr. Bob Clement with the 7th Annual Cullington, Fox, Beckham International Service Award for their dedicated support. Allison Miller from KEYE served as the emcee, and entertainment was provided by Sir Woman. Thank you to Gala Co-Chairs, Michelle Jones and Patty Johns for their time and compassion for Austin Smiles!

Shoot for a Smile - 29th Annual

Thank you to our Sponsors, the Shoot Committee, Capital City Clays, Volunteers, and all of our participants for joining us at our 29th Annual Shoot! This event raised record-breaking numbers! It was a wonderful day raising money for smiles here in Central Texas and in Latin America! We are very thankful to the participants and sponsors. A special acknowledgment goes to our Presenting Sponsor - Independence Title and our Shoot Co-Chairs, Jerry Conway and Jon Dayton.

Giving Society Brunch

Thank you to our incredible Giving Society donors, Gala sponsors, and invaluable medical mission volunteers who showed up for a morning of music, bites, and drinks in support of Smiles! Austin Smiles hosted its 5th Annual Giving Society Party at the Hills Country Club in Lakeway. Guests celebrated smiles and kicking off Austin Smiles' 40 years of smiles.
